Street: _____ Contractor _____

City/St/Zip: _____ Certificate of Insurance Yes__ No __

Property Street Location: _____

Tax Map & Lot # _____ Roadway Opening Permit: Yes ___ No ___

Backflow Device Installed: Yes ___ No ___ Permit # _____ Inspected By: _____

Applicant will adhere strictly to all rules, regulations and ordinances of the Meredith Water Department. Work done prior to permitting and/or inspection will result in double fees and may result in additional penalties as specified in the Water Ordinance.

Connection shall not be covered until inspected. Any connection that has been covered prior to inspection shall be uncovered at owner's expense.

When a check valve is used, it makes a closed system. A pressure relief valve must be installed to protect against pressure build up caused by water expansion from a domestic hot water heater or boiler. Bodily injury and/or system damage may occur if a pressure relief valve is not installed.
