

INFRASTRUCTURE IMPROVEMENTS PROJECT

CONSTRUCTION NOTICE

This notice is to inform you that repair of the sewer, and roadway improvements will take place on Main Street between Waukegan Street and Lake Street starting the week of August 31st, weather permitting. Construction operations are expected to last for approximately 3 weeks. Work will usually commence by 7 am and continue throughout the day until approximately 6 pm with no work on holidays or weekends.

To speed construction, the roadway will be open to local traffic only, however access to the sidewalks will be maintained. The traffic pattern will be, any traffic coming from the center of town will be diverted to Lake St onto Rt. #3. All traffic coming towards the center of town from the intersection of Waukegan and Main St. will be diverted to Mill St then to Rt #3.

Every effort will be made to maintain both water and sewer service during construction, however there is always a chance of a temporary interruption of services. **DURING CONSTRUCTION NO OVERNIGHT PARKING WILL BE PERMITTED ON MAIN ST. FROM IN FRONT OF THE HUMISTON SCHOOL BUILDING TO THE RAILROAD TRACKS.**

If you have any questions or issues during the course for the construction activity, please contact our on-site representative, Mr. Jerry Cedrone, Resident Engineer, KVPartners LLC. If you cannot locate Mr. Cedrone on-site, he can be reached by phone at 496-1282. If you wish to speak to someone from the Town, please contact the Meredith Water and Sewer Department at 279-3046.

Thank you for your cooperation and we apologized for inconvenience's.
