The Feltham trail clearing happened September 13th. 10 people showed up to improve the entrance, made more accessible by reducing the steepness of the grade.

Reminder to attend the Page Pond walk this Saturday at 10am starting at Moulton Farm.

We discussed the proposed letter to selectmen--purpose was to provide feedback to them on where we were at, progress update. Angela had some concerns about the focus of the letter. She volunteered to rework the existing letter and stress objectives. Mark to publish the letter in buzzword and share the link with Angela.
